

Gigi Graham, the eldest of Billy and Ruth Graham's children, is the mother of seven children and the grandmother of 20.....so far. She married at seventeen and lived in both Europe and the Middle East before returning to the United States to raise her family.

Gigi is the author of several books, including *Currents of the Heart*, *For Women Only* and *A Quiet Knowing*. She speaks at various churches and conferences across America and Europe.

Recently, she moved back to the mountains of North Carolina to be closer to her father and some of her grandchildren and enjoys her position as Ambassador of the Billy Graham Training Center at The Cove in Ashville. Gigi uses her varied experiences both good and bad, to stress the fact that we cannot look to anyone or anything to be to us what only Jesus Christ can be.

Uncomfortable with people thinking she comes from such a “wonderful family”, Gigi says she comes from an ordinary family who share the same problems every family has but that for some reason was chosen by a wonderful God to serve Him in an unusual way.
